

**REMINDER for Club Presidents & Administrators:**

Swim Ontario's *Personal Information Protection & Electronic Documents Act* is now in effect. Our policy is attached, and consent forms must be signed by every family in order for children to be accepted into any club programme. Please be sure to look after this at registration time.

The signed forms (be they the Swim Ontario version or the adapted club version) must be kept on file at the club office until such time when a family wishes to withdraw from the sport of swimming, or wishes to switch clubs.

The club President and the club Administrator are asked to complete the form below and fax it to the Swim Ontario office at **416-426-7356 prior to August 31, 2010.**
