Sanction Procedures

Many clubs are already planning and applying for your 2008-09 sanctions. Please remember that meets will not be sanctioned if there are any outstanding fees and that your \$30 sanction process fee has been received by the Swim Ontario office. There are a couple of options available, in the past, a number of clubs have opted to forward their fees at the beginning of the year to be held on account, while others choose to use a credit card. Either option will help expedite the process of receiving your final sanction status.

Gold Bonus

Please take advantage of the fact that there is a post meet report that is electronically generated from the results that you upload to SNC. This is your gold bonus invoice that you can print and forward to us along with payment. It would be appreciated if you would cross reference your cheque to your invoice with either the meet name, date or sanction #.

2008 Swim A Thon

For those clubs that may be late in submissions, please ensure that you have a signed family affidavit attached to each pledge sheet and PLEASE don't forget a copy of your fee structure. It is **imperative** that you list a full address, including postal code, into Graspit. No receipts will be printed unless documentation is posted in full. Should you have any questions or concerns, please do not hesitate to contact [Victoria](#).
